Bowl Easy Lane Care Products ... for excellent Lane Conditions

EMPIRE Lane Conditioner. Specially developed for High Linage centers or sport bowling with a viscosity of 37 cps. The higher Viscosity reduces Carry-Down, less pinsetter problems and is easy to clean with our Perfect Lane Cleaner. Ideal for Sanction Technology (Kegel) or Direct+ Technology (Brunswick) lane machines.

OPTIMUM Lane Conditioner. The most common Lane Conditioner in our range with a viscosity of 31 cps. The ideal Lane Conditioner for the most Sport- and Recreation Centers with Sanction Technology (Kegel) or Direct+ Technology (Brunswick) lane machines.

PULSE Lane Conditioner. This Lane Conditioner with a viscosity of 27cps. is the ideal high performance conditioner for Wick/Pad Lane Machines, like DBA Phoenix, Kegel Crossfire and AMF Summit/Silver Bullet.

PERFECT Lane Cleaner. This Lane Cleaner cleans all brands of Lane Conditioners. With a dilution between 1:15 - 1:20 it's the most advantageous Lane Cleaner available.

- ✓ Made in the EU
- ✓ Environmentally friendly
- ✓ For all Lane Machines
- ✓ Best Value for Money
- ✓ Unique "Bag-in-Box" concept
- ✓ No silicone additives
- ✓ Best protection for your lanes

EASYCLOTH
